

SPECIAL OFFER

A NEW 100 SUNREEF POWER

AVAILABLE END OF 2024

 Sunreef Yachts

DESTINED FOR CRUISING IN STYLE

On track for completion a **100 Sunreef Power** catamaran is now ready for new ownership with the client shifting attention to another Sunreef superyacht project. This exceptional superyacht, **ready by the end of 2024**, epitomizes elegance, safety, and luxury.

ALL ABOUT LUXURY

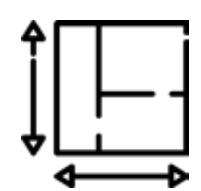

The 100 Sunreef Power is a bespoke superyacht designed for all-year navigation in supreme luxury. With an imposing presence, this **ultramodern catamaran** combines **unrivalled living space** with **reliable performance** and **outstanding autonomy**.

OUTSTANDING FEATURES

Transoceanic
capabilities

85m²
flybridge

Hydraulic aft platform
with **1200kg** capacity

The entire deck and aft platform
is covered in **teak**

INTERIOR DESIGN VISUALISATION

THE ART OF DESIGN

With a carefully designed interior, the yacht's **massive saloon** offers an outstanding lounging and dining experience. The main deck layout also features a **spectacular full-beam master stateroom** with private access to the bow terrace.

INTERIOR DESIGN VISUALISATION

INTERIOR DESIGN VISUALISATION

INTERIOR DESIGN VISUALISATION

PEACEFUL RELAXATION

Within the hulls, four spacious guest staterooms with beautifully-appointed ensuite bathrooms offer **luxurious, light-filled retreats.**

INTERIOR DESIGN VISUALISATION

INTERIOR DESIGN VISUALISATION

TOTAL LIVING SPACE

572 m²

GUESTS

10 + crew

5 CABIN LAYOUT

INTERIOR DESIGN VISUALISATION

OCEAN LOUNGE

The 100 Sunreef Power stands out with her **Ocean Lounge** – a **16m wide** walkaround beach club, with access to two large storage rooms for water toys, as well as the aft garage, able to accommodate two big jet skis.

ELEVATE THE YACHTING EXPERIENCE

With a **jacuzzi**, a **bar**, **barbecue** station as well as ample relaxation and dining spaces, the flybridge offers an amazing yachting experience with **panoramic views**.

POWERFUL AND RELIABLE

Powered by **twin 1300 HP engines**, the 100 Sunreef Power guarantees reliable **performance**, extended **cruising range**, and impressive **efficiency**.

MAIN DATA

CONSTRUCTION	Composite
NAVAL ARCHITECTURE	Sunreef Yachts
CATEGORY	A
LENGTH OVERALL	28,63 m
BEAM OVERALL	13,5 m
MAIN PROPULSION	2 x 955 kW 2 x 1300 hp MAN
FUEL CAPACITY	2 x 15 000 L
WATER CAPACITY	2 x 1250 L

MODEL VERSION

100 Sunreef P Galley down in the hull - Full Beam Master cabin on main deck + VIP cabin + Three (3) Guest cabins + Three (3) Crew cabins

Structure and hull finishing:

- Hulls, deck, flybridge, and all structural bulkheads constructed using E-glass sandwich laminate technology through infusion
- Hull external osmosis protection provided by vinylester resin
- Aft platform structure from composite (hydraulic system see. DECK EQUIPMENT)

Bimini

- Composite hard top bimini on the flybridge with skylights and integrated lights

WATER TOYS INCLUDED

- 1 x Highfield SP520 tender IVORY with Yamaha F100 LB engine incl. sun deck, carbon dash for console, tow post, boat cover, cradle and launching fee
- 2 x Jet Ski - Yamaha VX Cruiser HO Audio incl. waverunner cover and launching fee
- 1 x Flite Board eFoil Fibreglass (Black) incl. prop + guard propulsion, flitecell explore, cruiser 1100 Wing set, fliteboard board bag, fast charger
- 1 x Seabob F5 Red basic color incl. quick chargers and seabob racks

MAIN MACHINERY, PROPULSION AND MANEUVERING EQUIPMENT

Propulsion plant

- 2 x Stainless steel propeller shafts
- 2 x Fixed pitch propellers (5 blade) with rope cutters
- 2 x Thrust bearing with CV joint - vibration dampening
- 2 x Sets of trolling valves (installed one per each gearbox)
- 2 x Main engines - MAN V8- 1300 (955 kW / 1300 hp) each
- 2 x Sets of propulsion and speed control panels with levers

(one (1) on flybridge and one(1) in saloon nav station (Required layout opt. 1.2)

Rudders and steering system

- 2 x Rudders (E-glass sandwich laminate in infusion technology)
- 2 x Rudder stocks (aluminium alloy)
- 2 x Sets of self-aligning lower and top bearings
- 2 x Emergency tillers
- Hydraulic steering system

Manouvering equipment upgrade

- 2 x Bow thrusters with hydraulic control system
- Installation of ZF DPS (Dynamic Positioning System) with iAnchor and iDrift functions' & 'Yacht controller (additional control of anchors winches, acceleration module, STJ remote)

DECK EQUIPMENT

Anchor equipment

- 2 x Windlass 4000W, 24V
- Anchor chain (diameter 14mm DIN / 120m length / galvanized)
- Galvanized anchor 182kg CQR
- Anchor chain (diameter 14mm DIN / 120m length / galvanized)
- Galvanized anchor 182kg CQR
- Emergency anchor 20kg + 20m rope

Mooring equipment

- Mooring kit (8 fenders + 6 mooring ropes - 25m each)
- 2 x Electrical mooring winch aft (Lewmar)

Towing equipment

- Towing line (120 m)

Access equipment

- Flush hatches on deck
- Swim ladder on the skirts
- Hatch at the top of the stairway between cockpit and flybridge
- Hydraulic gangway

Aft platform

- Hydraulic platform (covered with teak) 1200kg capacity

Garage for water toys

- Garage for watertoys
- Jet Ski launching system for the garage (**for 2 jet-ski**)

Flybridge arrangement

- Deck furnitures as per opt. "Open decks furniture"

INTERIOR

Design fee including:

- one (1) day with dedicated Sunreef Interior Designer
- one (1) render of Saloon
- one (1) render of Owner’s cabin
- one (1) render of Owner’s bathroom

Floor covering

- Vinyl floor in saloon and cabins
- Decorative rug/carpet in saloon
- Wooden floor (plywood + natural veneer) in Guest Cabins
- Wooden floor (plywood + natural veneer) in Saloon

Furnitures and interior outfitting

- Veneered mat, upholstered or corian countertops in the saloon or cabins
- Interior wall and ceiling panels, sofas, headboards and beds in skai (artificial leather) or easy to clean fabrics
- Furniture and all interior panels made of individually selected wood of category A with mat polyurethane varnish (Natural Oak, American Walnut, Ebony Cejlon or equivalent)
- Loose furnitures selected according to interior design from Sunreef standard (quantities according to layout selected)
- Upgrade of wood from category A to category Extra

Bathrooms

- Bathroom accesories (per bathroom): 1 x towel rail; 2 x hangers; 1 x toilet brush; 1 x toilet paper holder - depending on layout
- Bathroom fittings and accesories from makers: Tres, Omnires, Grohe (or equivalent)
- Bathrooms walls to be finished with glossy or mat gelcoat + one wall with sintered quartz
- All walls in bathroom to be finished with sintered quartz (price per bathroom)
- Bathroom fittings and accesories from makers: Axor, Dornbracht, Gessi, Fantini (or equivalent)

Guest cabins

- Saloon - according to layout - fitted with: fixed dinning table; sofa; coffee table; chair under navigation console
- Owner’s cabin - according to layout selected - fitted with: storage with shelves; storage with hangers; 2 x night stands; 1 x bed 160x200 with electric lift or drawers
- Each Guest Cabin - according to layout selected - fitted with: storage; 2 x night stands; bed 160x200 with manual lift or drawers
- Wall in the cabin with mirrors
- Safe (price per unit)

Crew cabins

- Each Crew Cabin fitted with: storage; night table; bunk bed (depends on the layout)

Curtains and blinds

- Curtains and backdrop for entrance door
- Manual operated blinds or plisses in cabins
- Manual operated concealed skyscreen on cabin ceiling hatches (only in forepeak)
- Electrically operated blinds or plisses in the saloon
- Electrically operated recessed blinds for guest cabins windows
- Electrically operated recessed blinds for fore skylights (in saloon)

Galley and household appliances (Siemens or Bosch)

- Refrigerator with freezer
- Dishwasher
- Electric oven
- Cooker with hood
- Washer/dryer
- Microwave
- Galley appliances upgrade to Miele:
- Refrigerator with freezer
- Dishwasher
- Electric oven
- Cooker with hood
- Washer/dryer
- Microwave
- Washing machine and One (1) Dryer - Miele
- Ice maker
- Low fridge for saloon

EXTERIOR

External hull painting system

- Side of hulls and inside parts painted with lacquer (Sunset)
- Deck, flybridge and wet bars painted with lacquer (Sunset)
- Antifouling (with Epoxy primer)
- Prop speed - propeller and shaftline protective coating

Deck covering

- Cockpit and skirts floor covered with teak (6 mm thickness)
- Deck covered with teak and installed flush hatches (6 mm thickness)
- Flybridge covered with teak (6 mm thickness)

External Doors

- Stainles steel sliding door from cockpit to saloon (manual operated)
- Pantograph fore access doors

Windows

- Fixed windows (tinted glass) on Main Deck
- Fixed portlights (Lewmar)
- Opening portlights - small (one per each cabin under Main Deck)

Open decks furniture

- All outside upholstery and cushions made of synthetic fabric (Sunbrella)
- Flybridge sunpad area
- Multifunctional full-size rest-lounge with a foldable backrest on the main deck aft
- Main foredeck sunpad area
- Fixed sofas and tables according to layout (main foredeck) - one per side
- Fixed sofas and tables according to layout (flybridge) - one per side
- Flybridge cushions and mattresses
- Cockpit and front deck mattresses
- Decorative pillows
- Bar module in cockpit- small
- Sink with retractable faucet for the bar module
- Ice maker for the bar module
- Low fridge for the bar module
- Bar module on flybridge- regular
- Sink with retractable faucet for the bar module
- Ice maker for the bar module

EXTERIOR

Open decks furniture

- Low fridge for the bar module
- Electric Stainless Steel BBQ

Windshields

- Bimini windshield with transparent canvas
- Cockpit windshield with transparent canvas
- Bimini windshield with sunscreen mesh
- Cockpit windshield with sunscreen mesh

Covers for open deck equipment

- Cover kit for one (1) Navigation station, steering wheel and helm seat
- Cover kit for sunpads

SPA equipment

- Jacuzzi on the flybridge designed for 4 people - Sunreef Design

(Required Options 7.6, 7.7 or 7.8)

PIPING SYSTEMS

Fuel System

- 2 x Fuel oil tanks 2x 15 000 L each

Lube Oil System

- 2 x Electric Lube Oil pumps (for oil change)

Bilge System

- 4 x Electrical bilge pumps
- 2 x Manual bilge pumps
- Piping and valves for bilge pumping
- Bilge pumps in forepeak (one per each)

Fresh Water

- 2 x Fresh water tanks with electronic readout level indicators (volume 1250 L each)
- Fresh water pressurizing pump
- 2 x Fresh water heaters (100 L capacity each)
- Fresh water inlet (Connection between the boat's water network and the shore water supply)
- Hand shower on deck
- Shower head on the cockpit ceiling with mixing valve

PIPING SYSTEMS

Fresh Water Generation

- 2 x Watermakers 280l/h - 220V (Blue Water)
- 2 x Watermakers 280l/h - 220V (EcoSistemas - energy saving - less power consumption)

Deck Wash System

- Pressurized fresh water outlet on cockpit (female quick-coupling snap connector)
- Fresh water outlet for washing the deck
- Fresh water outlet in the cockpit
- Retractable hose (5mb) in chain locker for chain wash

Sanitary Drains System

- 2 x Black water tanks 800 L with discharge system
- Electric Sewage discharge pump
- Electric toilets 24V in bathrooms with fresh water flush
- Grey water tanks 1600 L with electric pump for discharge with complete piping installation
- Waste water treatment system

HVAC System

- Air conditioning system for guest and crew cabins - capacity 350 000 BTU/h (new technology ultra efficient – Energy Saving)

SAFETY EQUIPMENT

- Adaptation to commercial requirements MCA Small Craft Code (MGN 280 (M) Cat 0)
- Automatic fire extinguishing system in the engine rooms (included in commercial adaptation)
- Complete rescue equipment with life-rafts for 16 persons
- EPIRB (included in commercial adaptation)
- Satellite tracking system (excluding fees)

ELECTRICAL SYSTEMS

AC / DC distribution system

- AC distribution system and wiring
- Main Switchboard AC 230V @ 50 Hz, 1 phase
- Shore connection (63A , 230V @ 50 Hz, 1 phase)
- Shore connection power cord twenty (20) m long, three wire type
- Battery charger Victron Skylla (24V /100A)
- 2 x Combined inverters and battery chargers - Victron Quattro 24V/8000W/200A
- 230V @ 50 Hz sockets: two (2) socket per cabin, four (4) in Saloon, four (4) in Galley
- USB charging sockets: two (2) per each cabin and two (2) for Saloon
- 2 x Induction chargers for smartphones and tablets (one(1) in saloon and one (1) in Master Cabin)
- Main Switchboard 25.6V DC
- DC distribution system and wiring
- Lithium battery banks (25.6V DC / 20 kWh)
- Starting batteries for genset
- Charger for Genset starting batteries
- Marine type generator set (20,5 KVA, 230 V AC @ 50 Hz, single phase)

AC / DC distribution system

- Inverter 120V/ 60 Hz/ 3000W + 10 Sockets
- Induction chargers for smartphones and tablets (price per one (1) pc)

Extended Energy Package

- Lithium battery bank (25.6V DC / 128 kWh)
- 5 x Battery chargers Victron Skylla (24V /100A)
- 3 x Combined inverters and battery chargers - Victron Quattro 24V/8000W/200A
- 2 x Marine type generator sets (28 kVA, 230 V AC @ 50 Hz, single phase) - parallel operations
- Set of starting batteries for gensets
- Chargers for Genset starting batteries (one per each engine room)
- Air conditioning (Eco Mode) Ability to work from the battery

Automation system

- Hotel management (lights, shutters, ventilation)
- Technical management (pumps, tanks, sensors)
- DC power consumption monitoring
- DC power consumption monitoring

LIGHTS

Lighting system

- Deck light
- Interior lighting with LED lamps
- Lights in the engine rooms
- Spot lights on skirt's steps and sidewalks
- Spot lights on front terrace deck and cockpit ceiling
- Domotic smart system controlling lights (including dimmers for ceiling lights)
- Exterior lighting package – underlighting of fixed furniture on flybridge and cockpit - LED stripe in white; cockpit ceiling two LED stripes surrounding in white; LED white stripes on skirts, bimini LED stripe surrounding in white if composite bimini ordered
- 14 x Underwater lights LED, one color to be chosen: white or blue
- 8 x Secret light (locations available as per plan) - price per unit

NAVIGATION EQUIPMENT

- Navigation lights with LED lamps
- Position lights LED
- Compass (size 135mm)
- Chronometer
- Barometer

Raymarine Navigation Package

- Navigation system upgrade into Garmin with 4x24” chartplotter screens
- Raymarine RD424HD 24” 4kW 608mm digital radome radar
- Raymarine Evolution autopilot
- Raymarine AIS700 - Automatic Identification System
- Multisensor (depth, speed & temperature sensor)
- Wind sensor
- GPS
- Raymarine Modular Dual-Station VHF Radio System Ray90
- Searchlight with control unit
- Electric Fog Horn
- Wireless autopilot controller
- 6 x External camera with color and night vision

AUDIO-VIDEO AND IT EQUIPMENT AND SERVICES

TV antennas

- Terrestrial TV antenna
- Satellite TV Antenna KVH TV6

Satelite and wireless internet

- 5G/LTE Wifi antenna worldwide
- Satellite Communication System Inmarsat Fleet Xpress (Antenna Cobham Sailor 60GX and Cobham Sailor Fleetbroadband 250) This pack allows to have unlimited monthly data subscription worldwide by satellite with possibility of streaming on a very low cost
- Satellite Communication System Fleet One Cobham Sailor (including 2 years unlimited satellite data (speed 150 Kb/s) when out of GSM range and GSM data 3 and 4G (5GB/month high speed then unlimited 80Kb/s) in 145 country including Caribbean and 1000 Min voice via satellite
- Upgrade of Subscription for Satellite Communication System (10.3) with 1TB Data Pack GSM 3 and 4G High speed (To be used within 24 Months)

Saloon widescreen

- Widescreen LED TV 80” with installation (saloon)

LED TV for cabins

- Widescreen LED TV 32” with installation (for crew cabin)
- LED TV 32” with installation (price per cabin)

Hi-Fi Audio systems

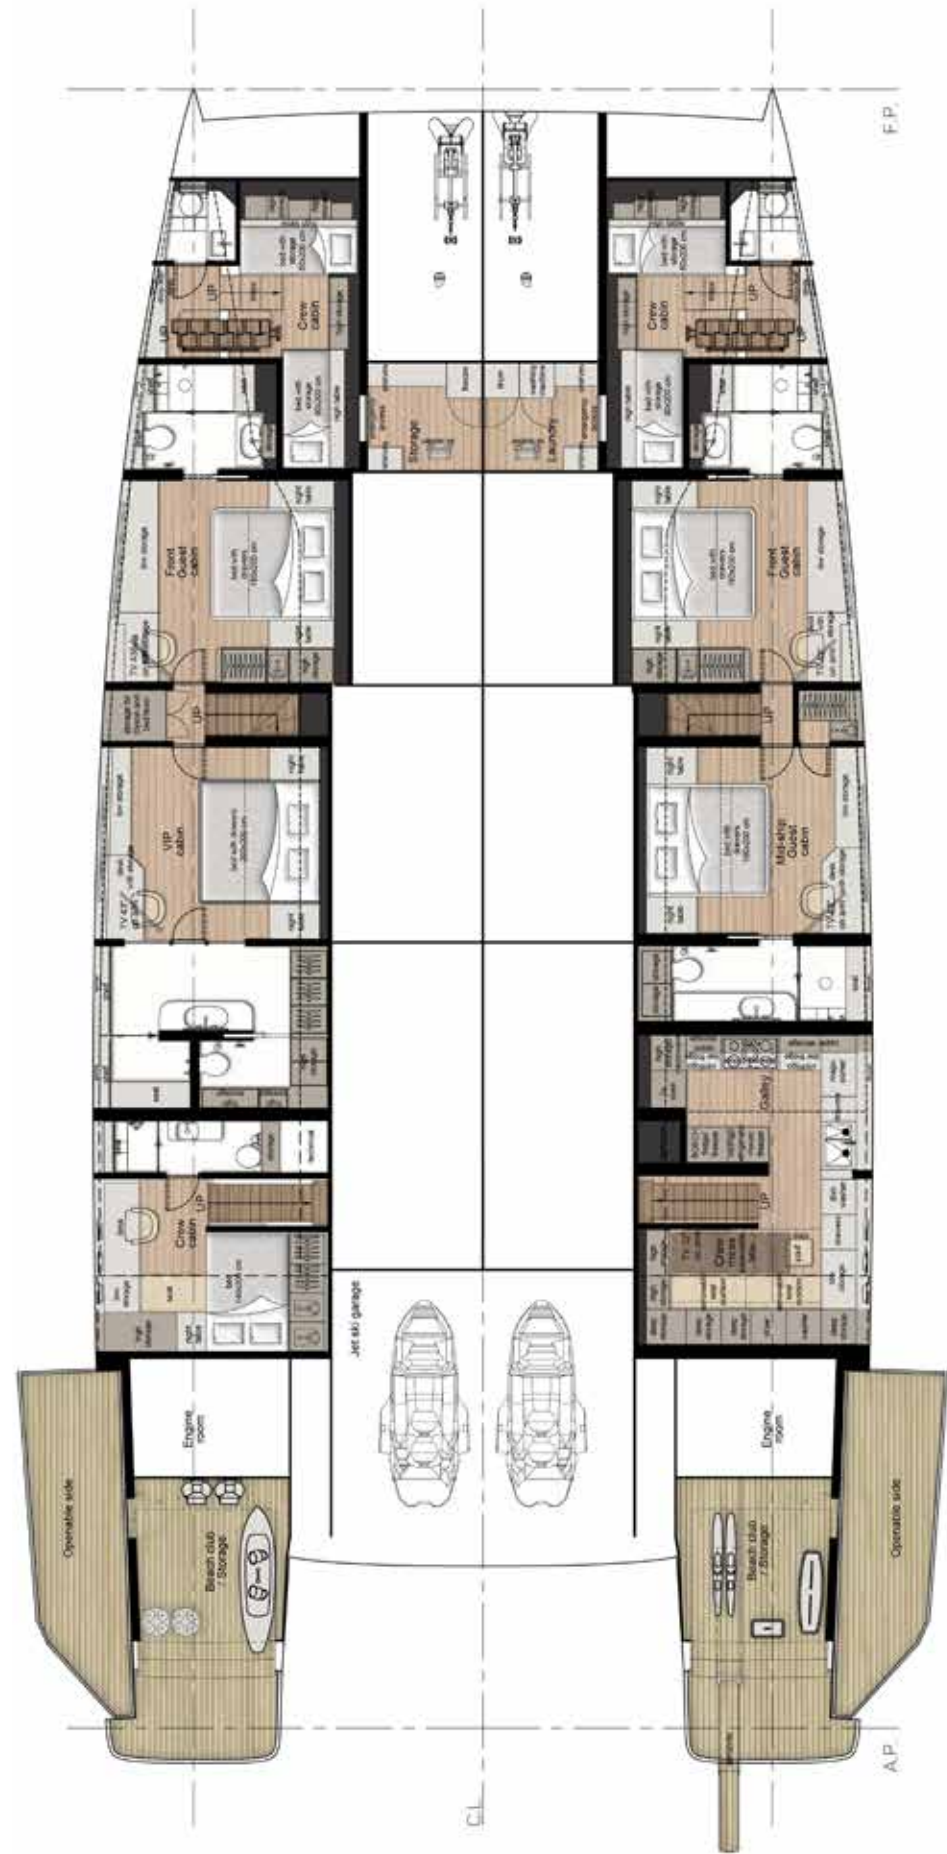

- Saloon Audio Video package
- 5.1 Audio System
- Premium ceiling speakers
- Active subwoofer
- Outdoor Hi-Fi Audio package
- Marine built-in speakers in the cockpit
- Marine built-in speakers on flybridge
- Marine built-in speakers on front terrace
- Marine built-in subwoofers for flybridge and front terrace
- Hi-Fi Audio package for cabins (price per cabin)
- Zone amplituner
- 4 x Premium ceiling speakers

ADDITIONAL OPTIONS OR EQUIPMENT

- Installation of hydraulic bow thrusters instead of electrical ones
- Installation of auxiliary electric trailing pumps with a by-pass on main engines cooling line for shafts seal cooling instead of Dellner brakes on the shaft lines
- Installation of ZF DPS (Dynamic Positioning System) with iAnchor and iDrift functions
- Increased fuel tanks capacity to 2 x 15 000L
- CCTV system with 3 x AXIS M5525-E PTZ Network cameras, video recorder and 4TB hard drive
- Yacht controller (additional control of anchors winches, acceleration module, STJ remote)
- Navigation system upgrade into Garmin with 4x24" chartplotter screens
- Sewage treatment plant (STP) upgrade with grease trap for grey water treatment, increased sludge tank capacity to 1600L, anti-foam dosing pump and spare macerating pump
- Upgrade of galley refrigerator into Vitrifrigo DW360 OCX2 DTX
- Upgrade of low fridges into Vitrifrigo DW210 OCX2 DTX drawer freezer/refrigerator
- Additional low fridge Vitrifrigo DW210 OCX2 DTX drawer freezer/refrigerator in front deck locker
- Air-conditioning system for battery room with Frigomar 7.000 BTU/h self-contained unit
- Air-conditioning system for guest bathrooms (003, 004 and 016) with separate air handler with independent thermostat control panel
- Petrol tank 450L with fuel dispenser for jetski & tender refueling
